March 13, 2020

TO ALL TENANTS OF THE HARRISON HOUSING AUTHORITY:

STATEMENT FROM EXECUTIVE DIRECTOR RAY LUCAS REGARDING COVID-19

As Executive Director, I am aware of, and continue to remain informed regarding, COVID-19, also known as coronavirus.

I have been in touch with the Harrison Health Department, which is actively monitoring the situation. I am also monitoring the Hudson County Board of Health Website, NJ Health Department and Centers for Disease Control (CDC) Websites for announcements.

All Housing Authority residents, guests, and staff should follow all CDC recommendations to prevent the spread of illness, including washing your hands often, avoiding people who may be sick, staying home if you are sick, and cleaning and disinfecting frequently touched surfaces.

Residents may utilize information and resources available from local, state, and federal agencies, including the Harrison Health Department, Hudson County Health Department, NJ Department of Health, and Centers for Disease Control (CDC). The websites for these agencies contain informative, helpful, and up to date information, resources, and links on COVID-19.

Additionally, the NJ Department of Health has a 24-hour public hotline, staffed by trained healthcare professionals, to answer any and all questions regarding COVID-19. The hotline may be reached at 800-222-1222.

A copy of this notice will be posted at all Harrison Housing Authority sites. We also have posted some informational flyers from the CDC on our website link: <https://www.harrisonhousing.com>

Here are the website links to the various Federal, State and Local Agencies:
